COPPER MOUNTAIN SOCCER

2026-2027 SPONSORSHIP OPPORTUNITIES

Supporting our local youth and community.

Copper Mountain Soccer Club is a non-profit organization in SE Salt Lake county, that supports approximately 3,400 soccer players. We are seeking local sponsors who are also interested in investing in our community and youth.

The mission of Copper Mountain Soccer Club (CMS) is to foster young players' physical, mental, and social growth to reach their full potential by participating in soccer. CMS believes that it is just as important to develop problem-solving skills, communication skills, leadership skills, and to foster a positive self-image, as it is to develop technical and tactical awareness of the game.

Copper Mountain Soccer Club invites you to join our over 300 volunteers who make this all possible by sponsoring these young players and furthering their overall development as future leaders in our community. One hundred percent of sponsorship funds will go toward keeping our club fees low to enable participation by all.

Please take a few moments to review our sponsorship opportunities.

COPPER MOUNTAIN SOCCER

2026-2027 SPONSORSHIP OPPORTUNITIES

Who your Sponsorship Supports

CMS supports roughly **3,400 local soccer players** annually and is one of the largest soccer clubs in the area. This includes **2,200 recreational players, 1,200 competitive league players, and 50 TOPSoccer special needs players**; more than 350 teams in all.

Sponsorships have helped pay registration fees for refugees, immigrants, and players whose parents are out of work, as well as subsidize the cost of equipment and expenses for families.
